

Note: This document was prepared for internal use by Triple Espresso, LLC and not by the owners of the Music Box Theatre. While every effort has been made to insure accuracy, please check any crucial dimensions - especially dimensions of loading doors and stage entrances. The dimensions of the Stage and Lighting Grid in this document can be considered accurate within inches. No accurate drawings are known to exist showing the house or balcony. The positions of the seats shown and elements of the house shown in this document are reasonably accurate.
