Sound:

Main speakers - d&b audiotechnik E9 speakers. Two main left and right speakers and two delay for balcony. Two d&b audiotechnik E18 subwoofers.

Front Fill speakers - Four d&b audiotechnik E0 loudspeakers on front lip of stage.

Side Balcony Fill speakers - d&b audiotechnik E3 loudspeakers.

Stage monitors - Community CSX28.

All speakers are powered with d&b audiotechnik E-Pac Amplifiers except for stage monitors.

Yamaha 01V96 mixer may be available for additional rental charge. Please inquire.

Baby grand piano may be available for additional rental charge. Please inquire.

Hearing Assistance:

Listen Technologies FM transmission system

Backstage:

Extremely limited wing space. No crossover. A lean-to built onto the back of the building may be used as a crossover at renter's own risk: it is not designed for that purpose, is not weather-proof nor water-proof and the floor is uneven.

Booth:

Located at rear of balcony.

Dressing Rooms:

Two air-conditioned dressing rooms located in the basement can comfortably accommodate three to four persons each. They have counters, mirrors, sinks, toilets and showers. A green room with refrigerator and microwave is just down the hall from the dressing rooms.
